

Marjane

Marjane was founded on three basic tenets: quality, style, and affordability in 1964. Marjane has been manufacturing and supplying high quality and stylish belts for men and women.

We use leather and other components of best quality so that, you can be sure of getting the best possible comfortable and fashionable products. We believe in sourcing, designing and producing the best leather belts in most reasonable price.

By investing in Marjane, you are investing in the Indian economy.

ABOUT KANPUR

Our belts are manufactured by well equipped machines and local folks who have been making leather belts for generations. Kanpur is exceptionally famous for its leather production and leather products since British rule. A walk through downtown Kanpur not only brings you into contact with one of the largest communities of skilled leather workers in the world, but also the undeniable scent of leathers itself.
